Dear Mr. Warder,

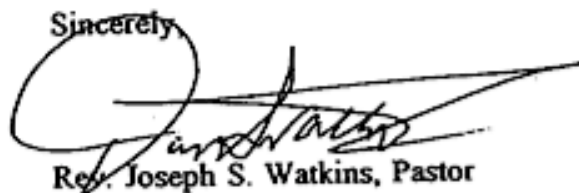

On behalf of myself and the parishioners of First Mount Calvary Baptist Church, it affords us immense pleasure to have satisfactorily arrived at the fulfillment of our contractual arrangement for the renovations of our kitchen and ladies' rest facility. We believe that the terms of agreement have been mutually met between Church and Warder Associates.

Thanks for your professional and very personal management of the project from beginning to end. This includes the manner in which you worked out timely and excellent solutions to potentially entangled problems.

Please express our appreciation to your proficient, patient and cooperative staff personnel with whom we encountered over the several months. Their workmanship and dedication proved to be an asset. Thanks for assigning them to our church.

Again, we must compliment you on the success of the total project. May God bless your future endeavors.

Sincerely

Rev. Joseph S. Watkins, Pastor
