Dear Mr. Warder:

I received your invoice in which you requested payment for the labor and material you provided to complete the terms of your contract. In order for Christian Mutual Life Insurance Company to release the funds from the escrow account the enclosed document must be completed by you and returned to Christian Mutual Life. Additionally, I would like for you to send a copy of the completed documents to me.

I would like to take this opportunity to express the appreciation of the Pastor and the Administrative Board of Deliverance Tabernacle for the good work that Jerry and the crew did on repairing the Church. Jerry was very courteous and he completed the work in a very short period of time.

It was a pleasure doing business with you.

Sincerely,

Deliverance Tabernacle
