

- Purchase for use in our new fellowship hall for stage performances, training sessions, dinners, etc., an electronic keyboard, 270 chairs, chair racks, 41 tables, risers for the choir, digitally controlled spotlights for the stage, two 36" color televisions, two 27" color televisions, a remote controlled screen, state of the art sound system, and a remote camera in the sanctuary to televise services to an overflow crowd in the fellowship hall;
- Purchase 12 tables and 100 chairs for Sunday School;
- Purchase all of the kitchen utensils needed for our new commercial kitchen;
- And build ~~contracts for the~~ fellowship hall.

This list is not all inclusive of the additional items we have added to our new building, and yet, we still have funds remaining to purchase items as members of our congregation see a requirement.

The Lord has truly answered our prayers throughout this building process, and we are grateful that you allowed (and continue to allow) yourself and your company to be used as an instrument of God. We have already begun to see the fruits of your labor as our church is now able to extend its outreach to our community. Please pass our sincere appreciation to your entire staff for their tremendous efforts. You can rest assured that you and your company will always receive the highest recommendation from our congregation.

Although this building was built by man, it was clearly blessed by God.

In Christ's Name,

Pat Ellis, Pastor
