Dear Mr. Warder:

On behalf of Outreach Christian Center, I would like to take this opportunity to thank you and your staff for your positive endeavors and Christian work efforts in taking our Church from a very negative construction circumstance, evaluating the situation at the time, and going forth in a positive direction for the Church to finally achieve its expansion vision. Your various in house trades certainly helped in our finding an affordable budget.

You are aware an earlier contractor had placed our Church outside of reasonable financial construction costs and had performed work on site without the full input of the various Prince Georges County Inspections and Zoning Divisions. Your efforts in relocating us to a new site was quite instrumental in regaining some of the approximately three years we had lost in this program.

In addition, your personal participation in funding and seeing the complete financial picture timely is also greatly appreciated.

We would, of course, without hesitation refer you to any and all Churches which we know are, or would be, in expansion phases in the future.

Very truly yours,

OUTREACH CHRISTIAN CENTER
