Dear Jerry,

As Pastor of the Riverdale Baptist Church, I would like to express my sincere appreciation for the very fine job that you have done in completing our shower building that was in such a mess. The former contractor forfeited his contract by failing to pay the subcontractors and doing very poor work. We contacted your company and got an immediate response. You went more than the second mile to assist us in straightening out a very messy job. We are quite pleased with our building. Not only did you do an excellent job in construction but your follow through has been most satisfactory.

We look forward to working with you in the future and highly recommend you and your company to anyone considering construction.

If I can be of any further assistance, please do not hesitate to contact me.

Sincerely,

Dr. R. H. Fitzpatrick
Pastor
